Chapter 8

Industrial production continues the upward trend	181
8.1. The main defining aspects	181
8.2. Evolution of industrial production during the period 2007-2017	183
8.3. Industry evolution during the period 2007-2017.....	185
8.4. Industrial production for export	186
8.5. Industrial production has seen positive developments	190

Chapter 9

Agriculture resources are under the empire of the hazard	193
9.1. General specific aspects.....	193
9.2. Evolution of production in the vegetable sector	195
9.3. Evolution of production in the livestock sector	197
9.4. Sinuous evolution in agriculture.....	197
9.5. Levers unused or out of control	199
9.6. Some priority action directions	202

Chapter 10

Construction and transport must be reconsidered and adjusted to current requirements	205
10.1. General aspects.....	205
10.2. Construction results	206
10.3. Evolution of transport activity	212

Chapter 11

Analysis of the evolution of goods and services production for the population	213
11.1. General aspects	213
11.2. Tourist services in Romania	216
11.2.1. General aspects	216
11.2.2. Special programs for tourism development	220
11.3. Services for the population	223
11.4. Production and marketing of goods	230
11.5. IT services for the population	232

Chapter 12

The consumer price index of the population, a factor with a negative effect on the macroeconomic results	235
12.1. General considerations	235
12.2. Consumer price index for food products	238
12.3. Consumer price index for non-food products	239
12.4. Consumer price index	239
12.5. Average nominal earning	239

Chapter 13

The evolution of international trade	243
13.1. General framework	243
13.2. General evolution of exports-imports	245
13.3. Exports during the period 2016-2017	248
13.4. Imports during the period 2016-2017	249
13.5. The geographical structure of imports and exports	250

Chapter 14

Romania must prioritize capital investment	255
14.1. General framework	255
14.2. Growth, an objective necessity	256
14.3. Factors with an effect on investment growth	258
14.4. Foreign capital investment is a priority	261
14.5. Domestic capital investment	264
14.6. Investment Perspective	265

Chapter 15

The need to strengthen the non-banking financial market	267
15.1. Insurance market	267
15.1.1. General aspects	267
15.1.2. Reinsurance activity	271
15.1.3. Liquidity and current solvency regime in the insurance market	272
15.2. Romania's capital market	273
15.2.1. Characteristics of the capital market	273
15.2.2. Bucharest Stock Exchange	274
15.2.3. Sibiu Stock Exchange (SIBEX)	277
15.2.4. Collective investment undertakings	279
